PRIVACY

Bouncie takes your privacy very seriously. The complete Bouncie Privacy Policy may be found in the Bouncie App menu item noted as “Privacy”. The Bouncie Privacy Policy describes the information collection and use practices applicable to the Bouncie Service.

Privacy-sensitive users of wireless communications are cautioned that the privacy and/or security of any information sent via wireless cellular communications cannot be assured. Third parties may unlawfully intercept or access transmissions and private communications without your consent.

To stop the Adapter from collecting and transmitting Vehicle and Location Data (defined below) to us, you must remove the Adapter from your vehicle’s electrical system and ODB Port.

REQUIREMENTS FOR THE SERVICE

The Bouncie Service offers a plan that utilizes an on-board diagnostics device (the “Adapter”) that plugs into your vehicle's on-board diagnostics port (“OBD II”). The Adapter must be installed in your vehicle to receive the benefits associated with the Adapter. More details regarding the use of the Adapter are provided below. To fully utilize all of the Service Features, you

are required to download the Bouncie Mobile Application (“Bouncie App” or “App”), which is available for download at the iTunes store or Google Play. You will need Internet access and an Apple or Android smartphone or tablet device to download the App.

SERVICE FEATURES

The Bouncie Service consists of a collection of features (“Service Features”), including certain wireless vehicle services as described in these Terms of Service, on the Bouncie Website, within the Bouncie App, or other marketing materials. These Service Features are provided by us, our affiliates or other third parties, including wireless service providers, equipment and software manufacturers, distributors, licensors, dealerships, content providers and any other person or entity who provides any service, equipment, content, feature or facilities in connection with the Bouncie Service (our “Service Partners”). The Service Partners that provide, or assist in the delivery of, the Service Features may change over time. We also may make certain changes to the materials and Service Features available through the Bouncie Service, which will be made available on our Website. For details regarding these Service Features, see bouncie.com. Below is a summary of the Service Features that may be available to you.

VEHICLE DIAGNOSTICS

The vehicle diagnostics service monitors the on-board diagnostics of your vehicle and will provide any vehicle Diagnostic Trouble Code(s) (DTC(s)), and supplemental information, that may relate to the illumination of a vehicle warning light. We make this Service Feature available using data collected by the Bouncie Service while the Adapter is properly installed in your vehicle. Any DTC information provided by the Bouncie App is for informational purposes only and is not intended to prevent any mechanical or performance issues with your vehicle. You understand that the Bouncie Service does not provide all DTCs and does not report all conditions that may affect the operation of your vehicle. In addition to the other limitations on liability in these Terms of Service, you agree and acknowledge that Bouncie is not liable for any performance or mechanical issues relating to your vehicle.

LOCATION-BASED SERVICES

Some Service Features are based on tracking your vehicle's location. We make these Service Features available using data collected by the Bouncie Service while the Adapter is properly installed in your vehicle. Data collected by the Bouncie Service may include information about your vehicle's use, operation, location, performance, speed, braking and other driving behavior information, and by enrolling in the Bouncie Service, you agree that Bouncie may collect such information as part of the Service.

IN ADDITION TO OTHER PROVISIONS OF THESE TERMS OF SERVICE WITH REGARD TO OTHER USERS, IT IS YOUR RESPONSIBILITY TO NOTIFY EVERYONE WHO USES OR OCCUPIES YOUR VEHICLE THAT LOCATION AND DATA COLLECTION FEATURES ARE ACTIVE AND ALLOW YOU TO ACCESS INFORMATION ABOUT THE VEHICLE, INCLUDING ITS LOCATION.

The Bouncie Service provides regular updating route details. Please note that under normal circumstances, it may take a few minutes for location-based detail from your vehicle to be transmitted to the Bouncie App. If the Adapter experiences a loss of wireless service, then no data will be transmitted until the Adapter recovers wireless data coverage.

CRASH DETECTION AND NOTIFICATION

Bouncie Adapters with the the minimum device firmware and configuration are equipped with sensors and utilize software that enable events related to a vehicle impact to be detected. Based upon the capabilities of the sensors and the software, qualified vehicle impact events ("crash") will be displayed in the Bouncie App and on the Bouncie user website. Additionally, notification of a crash is available through SMS messaging.

CRASH DETECTION AND NOTIFICATION MAY BE UNAVAILABLE IN CERTAIN INSTANCES, SUCH AS WHEN THE BOUNCIE ADAPTER IS DAMAGED OR DISLODGED, OR WHEN CELLULAR OR OTHER SIGNALS ARE UNAVAILABLE OR INTERMITTENT. IF THE ADAPTER EXPERIENCES A LOSS OF WIRELESS SERVICE, THEN NO DATA WILL BE TRANSMITTED.

While reasonable care has been taken to design the Adapter sensors and the software to successfully detect impact events indicative of a motor vehicle accident, the strong possibility exists that not all vehicle impact events will be considered a motor vehicle accident. Some detected impact events will not be indicative of a motor vehicle accident. Events included

but not limited to the following can cause detected impact events which may be reported as a crash. Hard closes of doors, trunk, cargo areas, and engine hood, connecting or pulling trailers, loose and shifting cargo.

While reasonable care has been taken to design the SMS messaging to notify designated contacts of a crash, no assurances are made regarding a guarantee of SMS messaging notification to reach the designated contact.

IMPORTANT LIMITATIONS TO UNDERSTAND

- **Not all detected impact events will be considered a crash.**
- **Not all detected impact events will be displayed in the Bounce App or on the Bounce website.**
- **Not all detected impact events will result in Notification.**
- **Not all SMS messages will be received by the designated recipient(s).**

Note that we may not always be able to notify you in advance of changes to applicable government taxes, fees and surcharges.

If you are the person who has enrolled your vehicle to the Bounce Service, you are the primary account holder. The primary account holder is responsible for ensuring that any additional users are aware of the Terms of Service.

In order to use the Service Features of the Bounce App, you will be asked to create a user account and password (an “Account”) and provide certain information about your vehicle. Only the primary account holder’s email address may be used when creating accounts to access the Bounce Service. IT IS YOUR RESPONSIBILITY TO NOTIFY EVERYONE WHO USES OR OCCUPIES YOUR VEHICLE THAT VEHICLE AND LOCATION TRACKING FEATURES ARE ACTIVE AND ALLOW YOU AND US TO ACCESS INFORMATION ABOUT THE VEHICLE, INCLUDING ITS LOCATION. IN THE INSTANCE WHERE YOU SELL OR TRANSFER THE TITLE OF YOUR CAR TO ANOTHER, IT IS YOUR RESPONSIBILITY TO TERMINATE AUTOMATIC SERVICES FOR THE CAR UPON SUCH SALE OR TRANSFER.

SERVICE LAPSE AND ADAPTER DEACTIVATION

The Service will automatically lapse in connection with the expiration of any data subscription period (i.e., the credit card on file has expired or declines the data subscription renewal charge) or cancellation as described elsewhere in these Terms of Service. Once your Services lapses or is cancelled, your Adapter will be deactivated.

IMPORTANT ADAPTER INFORMATION AND WARNINGS

If you have any difficulty with the Adapter or believe the Adapter is not working properly, please contact Support in the App (or your Service Partner that provided the Adapter if outside of the United States) for assistance. The Adapter is factory sealed, and may not be serviced outside the factory. Never attempt any repairs of the Adapter yourself. Improper service can cause damage to the Adapter or your vehicle, or render the Adapter inoperable. **PROBLEMS OR DAMAGE TO THE ADAPTER OR YOUR VEHICLE CAUSED BY IMPROPER SERVICE ARE NOT COVERED BY WARRANTY.**

Note: The Adapter is not compatible with all vehicles. Please immediately remove the Adapter and contact Support in the App (or your Service Partner that provided your Adapter if outside of the United States), should the Adapter physically interfere with any normal operation of your vehicle, indicate any audible or visual error, or fail to remain firmly attached to your vehicle's OBD II port. The Adapter will only work on vehicles enrolled within the Bounce network.

SAFETY INFORMATION AND WARNINGS

- Read these Terms of Service carefully before using the Adapter. They contain instructions on how to use the Adapter in a safe and effective manner.
- Failure to read and obey these safety precautions may result in an accident involving death, injury, or property damage.
- Always operate the vehicle in a safe manner. Do not become distracted by an Adapter feature while driving, and always be fully aware of all driving conditions.
- Do not attempt to inspect or adjust the Adapter while driving. Pull over in a safe and legal manner before attempting such operations.

- Bouncie Services rely on wireless communication networks and the Global Positioning System (GPS) network. THESE SERVICES AND NETWORKS MAY NOT BE AVAILABLE EVERYWHERE OR AT ALL TIMES. THEREFORE, THE BOUNCIE SERVICES MAY NOT BE AVAILABLE EVERYWHERE OR AT ALL TIMES, PARTICULARLY IN REMOTE OR ENCLOSED AREAS, OR IN ALL CARS AT ALL TIMES.

PRODUCTION ALERT

Upon initial installation into a vehicle, the Adapter may require up to ten (10) minutes to be ready for operation. During this time, some Service Features may be inoperative.

DEVICE REPAIR

- Use the Adapter only as specified.
- If you have problems with the Adapter, do not attempt to disassemble or repair the unit yourself. The Adapter does not contain any user-serviceable parts. Unauthorized repairs or modifications could result in accident, fire, electrical shock or permanent damage to the Adapter and/or your vehicle, and will void your warranty and your authority to operate the Adapter under FCC Part 15 regulations.
- Ensure the Adapter is properly reinstalled after any vehicle inspection, or repair service.
- Do not touch, bend or connect components to, or in any way modify, the connector terminals on the Adapter. Short circuits and damage could occur.
- Should the Adapter require cleaning, wipe with a damp cloth. Do not spray liquid directly onto the Adapter.

GOVERNMENTAL NOTICE

- The California Electronic Waste Recycling Act of 2003 requires recycling of certain electronics. For more Information on the applicability to the Adapter, see www.ecycle.org.
- The Adapter complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) The Adapter may not cause harmful interference, and (2) the Adapter must accept any

interference received, including interference that may cause undesired operation.

- The Adapter has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. These limits are more stringent than “outdoor” requirements.
- The Adapter complies with FCC radio frequency exposure limits set forth for an uncontrolled environment. In order to avoid the possibility of exceeding the FCC’s RF exposure limits, user proximity to the antenna shall not be less than 20 cm (8 inches) during normal operation. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

WIRELESS SERVICE

Wireless service may not be available in all areas or at all times. Therefore, the Bounce Service may not be available in all areas or at all times.

GLOBAL POSITIONING SATELLITE SERVICE (GPS)

The Adapter requires GPS service to ascertain your precise location. GPS coverage may not be available in all places or at all times. Should GPS location data not be available, Bounce may not be able to provide your precise location for any applicable Service Features.

VEHICLE OBD II COMMUNICATIONS ISSUES

The Adapter requires vehicle OBD II communications to determine the vehicle’s state and other specific information. The Bounce Services may not work, or be less than fully operational, if the vehicle’s OBD II communications are unreliable or otherwise not functioning properly.

POWER ISSUES

The Adapter relies on the vehicle’s battery for power. Should the Adapter lose vehicle power, it will shut down immediately.

DEVICE DAMAGE

The Adapter may sustain serious damage, or disconnect from the vehicle, following a vehicle impact event, causing it to become inoperable.

ADD-ON ELECTRICAL EQUIPMENT

The Adapter is connected to the electrical architecture of the vehicle. Adding electrical equipment (i.e., two-way mobile radio, CB radio, data recorders, etc.) may interfere with the operation of the Adapter and cease your ability to operate it.

ADDITIONAL TERMS APPLICABLE TO USE OF THE BOUNCIE APP

You agree that these Terms of Service and any additional terms of use and/or service that may be provided to you by Bouncie (e.g. terms of service provided when you download the Bouncie App) will, collectively, apply to you and any additional users of the App.

Data that is used when downloading and using the App and when using the Website through a mobile browser, as applicable, will be billed according to the service plan you have with your wireless carrier.

You should use the security features that are available on your mobile or other Internet-enabled device to prevent unauthorized access and use of the App, including passwords and encryption.

MODIFICATION OF TERMS OF SERVICE

Bouncie reserves the right to modify these Terms of Service (including the Privacy Policy and any other document or policy incorporated by reference into these Terms of Service), from time to time. We also may cease to provide a Service Feature in whole or in part, if required by law, rule, or regulation, in which case you may cancel your Bouncie Service. If required by law, we will notify you in advance of any such changes. Otherwise, we may give you notice by posting a new version of these Terms of Service in the App. PLEASE VISIT the menu items “Terms of Service” and “Privacy” FOR THE MOST UP-TO-DATE PRODUCT AND SERVICE DETAILS, AND TERMS OF SERVICE. If you do not agree with any changes to these Terms of Service for any reason, then you may not use the Bouncie Service, and you may cancel your use of the Service as described elsewhere in these Terms of Service. Your continued access to or use of any of the Bouncie Services after any change takes effect will indicate your acceptance of the modified Terms of Service. Notwithstanding this provision, if we make any changes to any dispute resolution provision contained in these Terms of Service, such changes will not affect the resolution of any dispute that arose before such change.

YOUR CANCELLATION RIGHTS

You may cancel your data subscription and return your Adapter within forty-five (45) days of your initial purchase (the “Return Period”). Upon receipt of the Adapter during the Return Period in good working condition (i.e., not damaged and not requiring repairs), all prior charges and fees will be refunded to you.

The Return Period as noted above is not available for AI Customers – please contact AI Customer Service for additional information.

If you return your Adapter, even if returned by mistake, after the Return Period, you will not receive a refund related to the Adapter and the Adapter you returned will not be returned to you.

After the Return Period, you may cancel your Bouncie Service / data subscription at any time. If you do cancel, you will not be refunded for any unused portions of prepaid subscription charges associated with your use of the Bouncie Service in conjunction with an Adapter. Upon cancellation after the Return Period, the Adapter will be deactivated and is yours to keep.

HOW TO CANCEL

You may cancel your subscription by contacting Support in the App or by contacting AI Customer Service if you are an AI Customer.

OUR TERMINATION RIGHTS

To the extent permitted by applicable law, Bouncie reserves the right to terminate your access to or use of the Bouncie Service and these Terms of Service if, in our sole judgment, you have breached these Terms of Service. In addition to all other termination rights provided in these Terms of Service, we may discontinue providing the Bouncie Service at any time upon thirty (30) days prior notice to you, and in such case only, the primary account holder will receive a pro-rated refund for the unused portion of any prepaid data subscription charges (or AI will receive a refund in the case of a AI Customer).

You agree that we are not liable to you for termination or discontinuance of any or all of the Service Features, unless otherwise expressly provided in these Terms of Service. All provisions of these Terms of Service which by their nature survive termination or expiration, shall survive termination or expiration of these Terms of Service.

NO TRANSFER OF THE ADAPTER

You represent, warrant and covenant that you will not sell or transfer the Adapter to another user and that you will not sell or transfer title to your vehicle or return a leased vehicle to its owner without first removing the Adapter. This is important to help protect your use of the Service and your information, and to avoid being charged for the Bouncie Service after the sale or transfer of your vehicle. If you sell or transfer your vehicle, you should remove the Adapter and notify Bouncie (via Support in the App) that you would like to cancel your Service. You may transfer the Adapter to another vehicle that you own. To transfer the Adapter to another vehicle that you own, you should follow the instructions provided in the App at Frequent Questions and Answers.

LIMITATIONS OF THE SERVICE

AVAILABILITY OF CERTAIN FEATURES MAY BE LIMITED BY MAKE/MODEL/YEAR OF VEHICLE AND LOCATION OF SERVICES PROVIDED

The information the Adapter can retrieve from your vehicle may be different than that available from other vehicles based on differences between manufacturers, models, and model years. In such cases, you may not receive access to certain Service Features that will be available to other people enrolled in the Service. In addition, certain features and services are not available outside of the United States.

OUR COVERAGE AREA

The Bouncie Service is currently only available in the continental United States (excluding territories of the United States), Canada and Mexico. HOWEVER, NOT ALL BOUNCIE SERVICES ARE AVAILABLE EVERYWHERE, PARTICULARLY IN REMOTE OR ENCLOSED AREAS, OR ON ALL CARS, AT ALL TIMES. The location of your vehicle, particularly in remote or enclosed areas, may affect the availability and quality of the Bouncie Service that we can provide to you. The Service generally works using wireless communication networks of our wireless Service Partners and the Global Positioning System (“GPS”) satellite network. The Adapter receives GPS signals and communicates with our data centers and those of our affiliates or Service Partners through use of wireless and landline communications networks. The Bouncie Service cannot work unless your vehicle is in a place where our wireless carriers and/or their roaming partners have coverage, network capacity and reception. The aspects of

the Bounce Service that involve location information about your vehicle cannot work unless GPS satellite signals are unobstructed, available in that location and compatible with the Adapter.

FORCE MAJEURE EVENTS

Various conditions beyond our control may prevent or delay us, our affiliates, or our Service Partners (or other third parties) from providing the Bounce Service to you, or impair the quality of the Service that you or your vehicle may receive. These conditions include, for example and without limitation, atmospheric, geographic, or topographic conditions (such as buildings, hills or tunnels); failure to properly install the Adapter; incompatibility of the Adapter with your vehicle; damage to or failure to maintain your vehicle in good working order and in compliance with these Terms of Service or applicable laws, rules or regulations; inclement weather; failure, congestion or outages of utility or wireless networks (including interruption of wireless service); as well as war, acts of God, natural disaster, labor strikes or other acts, forces or causes beyond our, our affiliates, and our Service Partners' (or other third parties) control. In the event any of the foregoing prevent or interfere with our provision of the Service to you, we may, at our discretion, suspend or terminate the Service (in whole or in part) or cancel your subscription, without notice to you and without any liability. Further, we, our affiliates, and our Service Partners (or other third parties) are not responsible for any Service or the Adapter's failures, interruptions, delays, or impairments due to these causes.

LIMITS ON YOUR USE OF THE BOUNCE SERVICE AND THE ADAPTER

You agree not to use the Adapter, the Bounce Service, any other services we may offer, or the Website and Bounce App, in any way that is illegal, fraudulent or abusive, including to harass, threaten, abuse, defame, or slander, any individual or entity. You may not use the Bounce Service in a manner that interferes with any other customer's use of the Bounce Service or our provision of the Service to our other customers. Certain information you receive through the Service is the property of us, our affiliates, or our Service Partners (or other third parties) and it may be subject to one or more copyrights, trademarks, service marks, patents, or other legal protections. You agree that the service is for your use only. You may not (or permit or cause any other party to) sell or resell or otherwise use the Adapter, the Bounce Service or any other services we may offer,

the Website, Bouncie App, or anything we provide to you for commercial purposes, nor may you reproduce, copy, modify, make derivative works from or otherwise display or distribute it.

ARBITRATION

WE HOPE TO MAKE YOU A SATISFIED CUSTOMER, BUT IF THERE IS AN ISSUE THAT NEEDS TO BE RESOLVED, THIS SECTION OUTLINES WHAT IS EXPECTED OF US BOTH.

YOU AND WE BOTH AGREE TO RESOLVE DISPUTES ONLY BY ARBITRATION OR IN SMALL CLAIMS COURT. YOU UNDERSTAND THAT BY THIS AGREEMENT, YOU ARE GIVING UP THE RIGHT TO BRING A CLAIM IN COURT OR IN FRONT OF A JURY. WHILE THE PROCEDURES MAY BE DIFFERENT, AN ARBITRATOR CAN AWARD YOU THE SAME DAMAGES AND RELIEF, AND MUST HONOR THE SAME TERMS IN THESE TERMS OF SERVICE, AS A COURT WOULD. IF THE LAW ALLOWS FOR AN AWARD OF ATTORNEYS’ FEES, AN ARBITRATOR CAN AWARD THEM TOO. WE ALSO BOTH AGREE THAT:

1. THE FEDERAL ARBITRATION ACT APPLIES TO THESE TERMS OF SERVICE. EXCEPT FOR SMALL CLAIMS COURT CASES THAT

QUALIFY, ANY DISPUTE THAT IN ANY WAY RELATES TO OR ARISES OUT OF THESE TERMS OF SERVICE OR FROM ANY EQUIPMENT, PRODUCTS AND SERVICES YOU RECEIVE FROM US (OR FROM ANY ADVERTISING FOR ANY SUCH PRODUCTS OR SERVICES), INCLUDING ANY DISPUTES YOU HAVE WITH OUR EMPLOYEES OR AGENTS, WILL BE RESOLVED BY ONE OR MORE NEUTRAL ARBITRATORS BEFORE THE AMERICAN ARBITRATION ASSOCIATION (“AAA”) OR BETTER BUSINESS BUREAU (“BBB”). YOU CAN ALSO BRING ANY ISSUES YOU MAY HAVE TO THE ATTENTION OF FEDERAL, STATE OR LOCAL GOVERNMENT AGENCIES, AND IF THE LAW ALLOWS, THEY CAN SEEK RELIEF AGAINST US FOR YOU.

2. UNLESS YOU AND WE AGREE OTHERWISE, THE ARBITRATION WILL TAKE PLACE IN THE COUNTY IN WHICH THE PRIMARY ACCOUNT HOLDER’S REGISTERED ADDRESS WITH US IS LOCATED. FOR CLAIMS OVER \$10,000 USD, THE AAA’S WIRELESS INDUSTRY ARBITRATION (“WIA”) RULES WILL APPLY. IN SUCH CASES, THE LOSER CAN ASK FOR A PANEL OF THREE NEW ARBITRATORS TO REVIEW THE AWARD. FOR CLAIMS OF \$10,000 USD OR LESS, THE PARTY BRINGING THE CLAIM CAN CHOOSE EITHER THE AAA’S RULES FOR CONSUMER DISPUTES OR THE BBB’S RULES FOR BINDING ARBITRATION OR, ALTERNATIVELY, CAN BRING AN INDIVIDUAL ACTION IN SMALL CLAIMS COURT. YOU CAN GET PROCEDURES, RULES AND FEE INFORMATION FROM THE AAA (WWW.ADR.ORG), THE BBB (WWW.BBB.ORG) OR FROM US. FOR CLAIMS OF \$10,000 USD OR LESS, YOU CAN CHOOSE WHETHER YOU’D LIKE THE ARBITRATION CARRIED OUT BASED ONLY ON DOCUMENTS SUBMITTED TO THE ARBITRATOR, OR BY A HEARING IN PERSON OR BY PHONE.

3. THESE TERMS OF SERVICE DO NOT ALLOW CLASS OR COLLECTIVE ARBITRATIONS EVEN IF THE AAA OR BBB PROCEDURES OR RULES WOULD. NOTWITHSTANDING ANY OTHER PROVISION OF THESE TERMS OF SERVICE, THE ARBITRATOR MAY AWARD MONEY OR INJUNCTIVE RELIEF ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF WARRANTED BY THAT PARTY’S INDIVIDUAL CLAIM. NO CLASS OR REPRESENTATIVE OR PRIVATE ATTORNEY GENERAL THEORIES OF LIABILITY OR PRAYERS FOR RELIEF MAY BE MAINTAINED IN ANY ARBITRATION HELD UNDER THESE TERMS OF SERVICE. ANY QUESTION REGARDING THE

ENFORCEABILITY OR INTERPRETATION OF THIS PARAGRAPH SHALL BE DECIDED BY A COURT AND NOT THE ARBITRATOR.

4. IF EITHER OF US INTENDS TO SEEK ARBITRATION UNDER THESE TERMS OF SERVICE, THE PARTY SEEKING ARBITRATION MUST FIRST NOTIFY THE OTHER PARTY OF THE DISPUTE IN WRITING AT LEAST 30 DAYS IN ADVANCE OF INITIATING THE ARBITRATION. NOTICE TO US SHOULD BE SENT TO: BOUNCIE • LEGAL DEPARTMENT 500 N. CENTRAL EXPWY, 5TH FLOOR, PLANO, TEXAS 75074. THE NOTICE MUST DESCRIBE THE NATURE OF THE CLAIM AND THE RELIEF SOUGHT. IF WE ARE UNABLE TO RESOLVE THE DISPUTE WITHIN 30 DAYS, EITHER PARTY MAY THEN PROCEED TO FILE A CLAIM FOR ARBITRATION.

5. AN ARBITRATION AWARD AND ANY JUDGMENT CONFIRMING IT APPLY ONLY TO THAT SPECIFIC CASE; IT CANNOT BE USED IN ANY OTHER CASE EXCEPT TO ENFORCE THE AWARD ITSELF.

6. IF FOR SOME REASON THE PROHIBITION ON CLASS ARBITRATIONS SET FORTH ABOVE IN SUBSECTION (3) CANNOT BE ENFORCED, THEN THE AGREEMENT TO ARBITRATE WILL NOT APPLY.

7. IF FOR ANY REASON A CLAIM PROCEEDS IN COURT RATHER THAN THROUGH ARBITRATION, YOU AND WE AGREE THAT THERE WILL NOT BE A JURY TRIAL. YOU AND WE UNCONDITIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THESE TERMS OF SERVICE IN ANY WAY. IN THE EVENT OF LITIGATION, THIS PARAGRAPH MAY BE FILED TO SHOW A WRITTEN CONSENT TO A TRIAL BY THE COURT.

SEVERABILITY

If any term or provision of these Terms of Service, or of any document incorporated herein by reference, is held by a court of competent jurisdiction to be contrary to law, then that term or provision shall be severed from these Terms of Service, and the remaining provisions of these Terms of Service or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable shall not be affected thereby. Each provision of these Terms of Service

shall be valid and enforceable to the extent permitted by law and unless prohibited by law.

GOVERNING LAW

Except where Bounce has agreed otherwise elsewhere in these Terms of Service, interpretation of these Terms of Service and any disputes covered by it are governed by federal law and the laws of the State of Texas, excluding its conflict of law provisions.
